The Hammers of the Emperor were founded during the Horus Heresy, a galaxy-wide civil war that nearly tore the Imperium apart. At the time, the Space Marines were divided between those who remained loyal to the

Emperor and those who had joined the traitorous Warmaster Horus. The Hammers of the Emperor were among the most loyal of the loyalist Space Marines, and they fought bravely against Horus's forces.

After the Horus Heresy, the Hammers of the Emperor continued to serve the Imperium with distinction. They fought in numerous wars and campaigns, and they became known for their unwavering loyalty and their ability to defeat even the most formidable enemies.

Today, the Hammers of the Emperor are one of the most powerful factions in the Imperium. They are based on the fortress-world of Terra, and they are often called upon to defend the Emperor and his palace from attack.
