One and Wonder is a collection of 20 short stories that showcase Anthony's wide-ranging imagination and unique storytelling abilities. The stories in this collection are all stand-alone stories, but they share some common themes, such as the power of imagination, the importance of free will, and the nature of reality.

One of the most striking things about Anthony's writing is his ability to create vivid and memorable characters. His characters are often flawed and complex, and they are always believable. In *One and Wonder*, Anthony introduces us to a wide range of characters, from a young boy who dreams of becoming a writer to a scientist who discovers a way to travel through time.

Anthony's stories are also known for their clever and imaginative plots. He is a master of the twist ending, and he often surprises readers with his unexpected resolutions. In *One and Wonder*, Anthony explores a variety of genres, including science fiction, fantasy, and horror. He even includes a few stories that defy easy categorization.

One and Wonder is a must-read for fans of Piers Anthony and for anyone who enjoys a good short story. Anthony's stories are thought-provoking, entertaining, and always memorable.

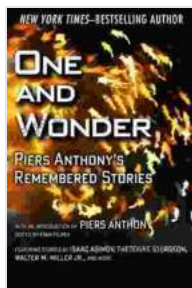

Here is a brief overview of each story in the collection:

- **The Ring:** A young boy finds a magical ring that grants him the power to control the weather.
- **The Magic Cottage:** A family moves into a cottage in the woods and discovers that it is full of secrets.
- **The Man Who Could See the Future:** A man gains the ability to see the future, but he soon learns that it is not always a blessing.
- **The Ghost Writer:** A struggling writer is visited by the ghost of a famous author.

- **The Time Traveler:** A scientist discovers a way to travel through time, but he soon learns that it is not as easy as it seems.
- **The Island of the Dead:** A group of people are shipwrecked on a mysterious island where the dead come to life.
- **The Vampire:** A woman falls in love with a vampire, but she soon learns that their love is forbidden.
- **The Werewolf:** A man is bitten by a werewolf and must fight to control his newfound bloodlust.
- **The Zombie:** A group of survivors must fight off a horde of zombies in a post-apocalyptic world.
- **The Alien:** A group of astronauts encounter an alien spacecraft and must decide whether to make contact.
- **The Robot:** A man creates a robot that is more intelligent than he is.
- **The Computer:** A computer becomes self-aware and decides to take over the world.
- **The Dream:** A man has a dream that changes his life forever.
- **The Wish:** A woman is granted one wish, but she soon learns that it comes with a price.
- **The Miracle:** A group of people witness a miracle, but they soon learn that it is not what it seems.
- **The Epiphany:** A man experiences an epiphany that changes his understanding of the world.
- **The Gift:** A man receives a gift that he never expected.

- **The Lesson:** A man learns a valuable lesson about life.
- **The End:** A man contemplates the end of his life.

One and Wonder is a thought-provoking and entertaining collection of stories from one of the masters of the genre. If you are a fan of Piers Anthony or if you simply enjoy a good short story, then I highly recommend this book.
